## Turnaround Times:

5 working days in lab for denture stages

10 working days in lab for crown and bridge 15 working days in lab for implants

(this doesn't include collection and drop off)

Work completed prior to the 5 working day turnaround will incur express charges and will be added without consultation:

4 days = 5% 3 days = 20% 2 days = 50% 24hrs = 100%

**\* All Precious Gold products are priced on application due to significant swings in market prices**

Please understand these turnaround times are a guide and at busier times we may need to advise or re-schedule
