Please allow for the following:

- 5 working days in lab for denture stages: this doesn't include collection and drop off
- 10 working days in lab for crown and bridge
- 15 working days in lab for implants

Work completed prior to the 5 working day turnaround will incur express charges and will be added without consultation:
4 days = 5% 3 days = 20% 2 days = 50% 24hrs = 100%

* All Precious Gold products are priced on application due to significant swings in market prices
